Dear Daddy Ream:-

I am writing cards to my two Fathers today. I was very pleased with the card from you and wanted to write but hoped to have some pictures to send. Haven't finished the roll yet. Forrest is quite proud of a new suit - long pants, & a cowboy suit. I took some pictures of him & the others. They grow so fast I do like to keep pictures.

Today is a beautiful day, but we have had fog & rain this week. You remember the vacant lots behind our place - the city purchased them and is making a park there. It will be very nice & look nice.

Douglas is quite busy, but it is too bad people are not better at paying. I am tempted to go out collecting. Money is slow coming in.

My Father is alone - I hate that. Evan has gone to Washington D.C. Hopes to get work. I would like to take the children home next summer if I can get someone to stay here.

Thank Grandma for her nice letter.  
Love - Lucile.
