April 10 1883

Miss Nora E Crockett

Dear Friend your welcome letter
came to hand to day, & content
noted. I was very glad to hear
from you. I dont know as I
can give any particular reason
for not answering your last
letter, it is my negligence.
It was not because I did not
intend to write again.

I saw you once Sunday morning
but could not get to you
& I could not find you
again. I wished after that
I had went to the train.
I think that I will start
for Preston in the morning.

on the train & have got
to ^{make} a quick trip or I would
call on you. We will start
for the R.R. as soon as I
get back I think, up north.
So please take the mill for
the deed. & I will call as I go
to work. Mr Stevenson will go
as far as Ogden with me I thi
nk. I saw him to day, & told
him what you said. He lau
ghed & said you must not
always think of him that way.
He sends his respects to you.
I have been so uneasy lately
that I did not know what
to do, I can not get any
work around here at all.
Just think of going 800
miles to work.

You will see the road marked
on the united States map

Canadian Pacific,
I shall have to close for
this time. It is four P.M. now
& I have some running around
to do to night. So by by
yours Truly
Chas R. Clarke
