Dear Sister Nora.

I will answer your letter to day as
ma has written. We are well and I
hope you are the same. I am almost
sick at the thoughts of going to
Payson for we are to go in about two
weeks Uncle Samuel is coming up
for us and we will go by team.

I do so wish I could see you all
once more before I go but I suppose
I will not. So when you get Baby's
picture taken you must be sure
to send me one for remember I
nursed him and I think if any
one has his picture it should be
I. Leah is going to send me her baby's
picture before long, she has named
it Fannie Leah. when her baby was
exactly 3 months old she shortened it

that day and it cut 2 teeth.

Marintha Morris is here she came
the day of the funeral she just
brought the baby with her.

she got here at one o'clock and the funeral
was at 4 she had her mothers picture
taken in her coffin the proped her
up until she was almost sitting
straight up which looked very shame
ful. She was kept so long after
dead that she was so decayed she
was not a very nice looking corpse.

Mas flowers are very beautiful
they are all in bud. and some in
blossom. Marys double Pink has 5 big
clusters and 9 buds. it is handsome
Ma sent for some flowers she got a very
beautiful fuschia it is the "storm King"
and a beautiful double white geranium
called "snow queen" a nice flower called
the "Passion flower" and a lovely "Bridal
Rose. they all came good but the "snow
