I am thinking of a little plan
 I will tell it to you + see what you
 think about it. It is this, as soon as I
 get the house over + up of coming down
 after you + if John + Roxie wanted to come
 up of bringing them + have John help
 put up the first crop of lucern

 stay till I got the wild hay up

If you approve of the plan
 find out in your own way (easily)
 if they want to come if not let it
