about it I know you will
say yes if I think best but I
dont want you to do that if you
dont want to if you can think of
any other way that we can
make money to pay our debts
and be more agreeable mentioned
Dear. What did Mrs B mean by you
wearing Baby I thought it was because
you had to but what you said about
your lawn dresses made me think
diferent Tell me if the truth
about the matter Well Dear when
you spoke of your summer dress
you ^{seem} to wear and about looking
like Mrs Sara Crockett makes me
makes me feel queer and I feel ashamed
besides to think I had brought
you to the ranch and put you
in the condition you are I can
hardly stand it to think about it
but never mind Dear I shall do all I
can to make you happy I believe
