about Frank

Larson &

Polygamy

New York, Sept. 27<sup>th</sup> 1887

W. W. Ream Esq  
Wingle Well Idaho.  
Dear Sir:-

Replying to yours of the 8<sup>th</sup> inst. will say that I called on Mr Garrison who is now on exhibition at the Globe Museum No. 298 Bowery.

He informed me that Frank Larsen is now in Boston on exhibition as a Mormon Polygamist from Utah, that he had run away with his (Garrison's) third wife, and that he had engaged a number of New York prostitutes to accompany him and pose as his wives. Says Frank has treated him shamefully and was at present owing him about \$600.<sup>00</sup> He seemed to know the top of the money more than the wife.

He has heard nothing of Frank's going to Europe but would not be surprised if he did. From a gentleman of my acquaintance

stance of ~~Miss~~ who came down from Boston  
a few days ago I was informed that she  
and another party went to see the alleged  
"Morrow Family". The women answer the  
description Garrison gave of them & in general  
appearance, and the party said there ~~was~~ <sup>was</sup> a host  
of squint eyed children of all sizes on the  
plafonds. The gentleman is unacquainted  
with Lansen and does not know whether it was  
him. They have Garrison's books  
left that were written by Paul W. Ransom and I  
have none consequently I am unable to comply  
with your request in this regard.

With kind regards to self and  
family I remain

Yours very truly  
J. E. Hart.
