Study on the dissolution
of the earth. Scriptures
reference to study.

To go deep. I shall not go
in to details this time, but
state the sub. I mean to
of question - you on

Sub. is the Disolution
of the Earth Now I shall
I give you referances to show
you what I mean + want you
to tell me if you believe it -

This is something that conflicts
with your doctrine + my
mind is not clear in regard to
it - I could write you all night
but my paper is growing less
+ I will have to come to that sub.

Ref. Thess. 4: 16 Cor. 15: 52 Matt.

24: 30, 31 sic. Thess. 1: 7, 8 Rev.

6: 12, 13, 14, Rev. 18: 6 Rev. 21: 1

Heb. 12: 26, 27: Pet. 1: 4, 7 + many
others I have no paper to note

Tell me if you believe them
or not could give you a dozen
more but you can find room -
for thoughts on these Am well
& love you four fold more than ever.

My Dear Friend Nora

Your long looked
for letters arrived to day. I was
in St Charles + sent to M -
for them - The tone is quite
different - Which puzzles me
not a little. At any rate I
was well pleased I have
not had time to read them
through but once May form
a more definite opinion -
when I read them - a gain -
There was three + two very
long ones I enjoyed them
hugely and I think they
ought to have been ^{good} after
waiting so long for the
I shall not write you a
long letter to night - as I will
have quite a no. that must

be written I dont think
you will ask it - seeing that
I have written you regularly
There seems to be more
solace in your letters
than any I have had
from Home. again
something tells me that
it is a forced pretence
& you have to call upon
your abilities to the uttermost
tensio - to accomplish
your desire. Is this right?
(I hope not) I attribute it
to my own repulsive nature
(Jealousy I guess) P. Nora felt
it was not for that feeling
I could take more comfort
in your letters than any
thing in the world but
this seems to deduce it to
a certain extent - Just
came from H.B. to night

am going to M - to
morrow & want to get
back & go to Bloomington
to morrow if I can Have
but a very few moments
in which to write you
I must thank you for
yours prayers & am
willing to confer with
fr. Sicut that prayer is
powerful Did not believe
it one year ago & I believe
with your aid I will be able
to make a mark yet in
the world Shall try with
all of my power I thank
you for your proferred services
I shall avoid myself of your
invitations & ask you many
questions I'm afraid you
have taken something in your
hands that will I give you
some hard work for I mean
