

Now your letters are very
interesting write as many
& long & often as you
have time. I am very much
interested in you & will be
pleased to know of your
success. - Have you
recd: your journals yet
Had a letter from Dr.
Tellow of Iowa Springs
at Iowa City sent to
Boston for them by
his recommendation
I believe they will be good
They are not the ones I
use to take - seems that
I have take all of this
paper to write you &
have told you nothing here
is the end so Good Bye
Will.

Dear Nora
I take a few moments in
which to converse with you
I am canvassing of course
I met Miss Birtka last
evening & had a very pleasant
chat with her & to day I
have been spending the
most of the time with
Mr McDunford Miss B-
& an other young lady
from I - is stopping at Mrs
L - Birtka is going to
Paris with the mail today
I promised to call on her

this afternoon but will
not have time I do
not like canvassing any
better than I did last
year Hope this will ^{end} my
work when I get thro' ^{and}
here — Oyes I have those
letters in my care you
spoke of You may rest
assured that I will
take care of them I
meant to have told you of
this before now — Mr

Payne has bothered me
to find out a small ^{quantity} about
some potatoes he is going
to take to the store &
put me out so I'll have
to think a gain Mr
made know his intention
to call on you while
in Logan He will ^{not}
start tomorrow

I like him real well &
think him a nice young
man sorry to think he
is not likely to recover
For a while men this country
is badly in need of & I
do think he must meet
with such an accident
Why cant misfortune
visit some one that is
less usefull than such
fellows. Well I hope you
will enjoy his society, I do
& think you will, I seem
he is & old friend of yours
Well dinner is ready &
I have been only a few
moments writing this
as you may see by the
writing Had a letter from
Home all are well well
News plenty but I have
time to write you all
