Dear Friend Nora
Your expected letter
was looked for with much
anxiety but not received
Another instead. One last looked
for. I am stopping at the
residence of a newly married
couple. Mrrd & Mrs. Stevens
a most agreeable place. Have
been married 6 mo. It makes
me think of the happy future
awaiting me. Having finished
business and feeling ⁱⁿ this mood
I thought I would write you
I love this country much better

than Bear Lake. I have been
unable to see much of it here
It has been snowing for the last
Three days snow has fallen nearly
2 ft. I shall leave here tomorrow
if the stage or train runs I
left my horse in Pocatello &
came by way of rail I am
not succeeding as well as I
might or thought I would
nevertheless I'll be in
on Co. I'd be the happiest
man in the world if I was
located here as I would like
to be and have you here too

Excuse this short note for I must
not write you a long one this
time Do you think you deserve it?
It has been a long time since I
heard from you but I can
excuse you. I could write you a
very very long letter about
my trip I was over two hours

writing a description of it to a friend
and then did not get half way
Well you all. I've enjoyed
this out more than any I've
had lately — Pleasure &
business connected it is simply
grand so far but if I
should get snowed in I
think I would change
my opinion — Here I am
lengthening out — on this
short note Must quit
All well I'll be in soon

Ever of your
True Friend
Will
