Dear Wife + Babie

It is snowing
here + looks very much like
a storm I will not get to
delivering till Monday but
hope to commence + get
through next week with all
I shall get to Rattle snake
this afternoon I shall not
do as well with the trees as
I expected Have not seen
the board yet but Poindexter
said they could not get the
water on the ground soon enough
to keep them a live He will
take 300 I guess have not
got him to sign the order
yet - he will be in town
this afternoon + sign

I will not make as on him
as I wanted too I feel like
things had taken a turn against
me. But all will come out for
the best any way. Every
thing I do I say to myself
it is for you + our boys +
I know it will come out well.
Yours prayers will be answered
I know + I shall do every
thing in your name.

Love cheer

Good Bye
