Dear Mamie and Wesley:-

We are planning on attending the Ream Family Reunion and Fiftieth Wedding Anniversary of the eldest living members of that family. We think it is a wonderful opportunity for as many as possible to get together.

Our children will be unable to attend. We had hoped Eldon would, but he has to report for work in a Park on the Oregon border June 2. We are therefore planning to take Marilyn's two eldest boys - Douglas and David, and Leamore's two eldest children: Kay and Sharlene. It is our understanding there will be facilities available for all of us to stay at the lake. Will there be room enough in cabins for the six of us? Are the cabins heated? I have thought that we should probably get Verda and Scott Pendrey to save two rooms for us in their motel. We will have a car and can quickly join the others. We realize that all you local folk will be having all your families come and have your homes very full.

We would like to know just when we should arrive? We do not want to arrive too early - will have to take the children out of school.

Douglas and I are flying to Salt Lake City next Tuesday in order to be present for Eldon's graduation. We will stay with him at Beulah's beautiful home. It looks like he won't have much time home this summer - we want to be with him as much as possible. We will leave Provo Saturday, May 30.

We enjoy your Provo family very much when we are there. Helen invited me to accompany her to an affair at her Alumni Club - hearing a current N.Y. play read. This was just last month when we were on our way East to attend a reunion of all my brothers and sisters at Evan's home in McLean, Virginia. We had the privilege of visiting with our sons - Forrest in North Carolina, David in New Jersey-- and their precious families.

We would like to hear from you very soon - at Beulah's address or here. We are certainly looking forward to seeing and being with you all.

Love

Douglas & Lucile
