My Dear Wesley^{3rd} Mammie:

I am enclosing Ida's check for \$52²⁴ as per your letter some time ago.

Sorry it did not get sent sooner - but she has been very busy and had to wait till she got her school check. Hope it has not put you out too much. I was glad Mammie to get your letter and Hazel Dawn's.

I hope you folks are all well, I am fine. On Dad's birthday - also on our wedding anniversary we took flowers out to the Mausoleum for Dad. Now tomorrow it will be Thanksgiving - I guess I have many blessings to be thankful for this year even if it has been a year so full of sorrow for me. Next Sunday will be just a year since Dad passed away. There has been so much happen in one short year - But I am very thankful we went in the temple and did Dad's work as well as my own. I feel that he was very happy to have it done. I surely wish all my family could go thru the temple and do their work and be sealed to us for eternity. I will be a little worried too till we lay Dad away where he wanted to be.

I enjoyed K. D.'s and Rieth's and baby's visit here.
I hope they get home all right. They wrote me
Monday from Basstow.

I must get this posted for this mail - so will
have to hurry.

Love to all. Write when you can

Lovingly
Mother (R)
