

Nov. 16 - 1941.

My Dear Wesley - I was so glad to get your nice letter written on the 11th. To know that you were thinking of us on that day gave me pleasure. On that day Dad had me out to dinner - Jean had to work on that day so could not be with us. After dinner we went out to the Mausoleum - took Dad some flowers out of my garden. Milton called up on the phone. I got a letter from Douglas too. I know how busy you are - Am sorry you have had such a time saving your crops. It is such hard work up here to raise crops, when every-

thing is as favorable as possible.
Then when frost and storm comes
I know how that is. I am glad
you are building your home -
you have needed it so long. I
hope nothing hinders now and
that you can be in some of
the rooms by Xmas. I hope
nothing prevents us seeing it next
summer. I got a letter yesterday
from Beulah - She said she may
be home for Xmas - was not sure yet.
I hope she can be. Said F.D. and
family were well also her family.
Jean seems to be doing fine. I am
very glad to have him with me.
Hope you folks are all well. Give
my love to Marnie and the girls.
Lots of Love and good wishes.
Lovingly
Mother.
