My Dear Wesley & Mammie -
I surely appreciate all your
cards and letters. It is a comfort
to know those we love think
about us and write. It has
helped me when the going is
so rough. Every one has been
so kind and thoughtful. I had a
nice card and letters from
Jean and Helen. It was so
nice of them to write. I do
hope Jean's operation will
prove a perfect success.
I hope you folks at home are
all well and that Mother Siorine is

bettes, Tell Mary Ida and Hazel
Dawn I did so appreciate their
nice letters. Give them my love.
I am feeling pretty good - I am
staying nights with Ida.

Lots of Love

Mother (R)
