My Dear Wesley and Mammie -

I am thinking of you both and wishing you a lovely time on your birthdays and happy and prosperous times for many, many years to come. I will be thinking of you all day on the 22<sup>nd</sup> and 26<sup>th</sup>. I hope your crops and everything turns out all right. We were so sorry we could not come up

to the ranch this summer. We were greatly disappointed.

We got a letter from Jean yesterday. We were so glad to get it. I am posting a letter to him this A.M.

I had it written already, so I could send it as soon as we got the address. I am real well, so are Ida and her family. I did not know about K.D., I and Ruth's baby boy till yesterday. I got a letter from them.

Mary Lee and Hazel Dawn are fine.

The weather has been real hot down here. Ida is very busy and tied very close at home having "Milly Park" this summer.

Lots of Love and loads of good wishes for this birthday and many more birthdays.

Lovingly  
Mother.
