I was a going to write  
letter but there is  
absolutely nothing to  
say. as for me trying  
to be a track man. there  
is nothing in it. I only  
got one third place.  
I guess that I will get  
through in all my  
studies, but am down  
in algebra. we had the sopho  
more hop last Friday and  
talk about your time I  
had it. I guess that you
