Dear Mother:

We are all well here. Beulah has gone to Manila, left today with Hendie and Lee. All Well.

We have had two years of good health on a diet somewhat different from what we were used to, plus plenty of fresh air and mountain view. Nora is Senior in High School; Kate graduated from 8th grade; Sally, 6th grade; John, 4th.

Please let all the rest know about us, also any friends we might have left. Ruth has written to her brother Chris at Agnew, but will you also notify him in case her letter goes astray.

My Dear Wesley and Mammai.  
I hope Mary Ida got there alright,  
and I hope you all have a nice Xmas  
and all the Holidays. I was in hopes  
Dean could be there too, I got a Xmas  
card from him to day, posted in Colorado.  
He did not write any thing but his  
love and name and address. So I  
don't know whether he will be with  
you or not. I hope they forward his  
mail from his old address. We are  
all well down here and hope all  
you folks are well.

I am enclosing a copy of a letter  
I got from Fabian 2 days ago. It  
was signed in his own handwriting.  
It had been censored. It was a long  
time getting here but I appreciated it.

I trust you to see that Mitchell and  
Rodney see it and any one else that  
you think would be interested. I am  
only sending the one copy up there.  
I am sending one to Douglas and  
told him to see that Milton sees it.

Lots of love and good wishes to all  
Mother (P)
