

April 18.

Dear Mammie and Wesley-

Grampa Peam just wrote us  
about Lane - Having lost our boy - I  
can understand how you feel - I hope  
you both have what I haven't - a  
definite and true belief in the after life -  
That makes it easier to bear a loss of  
a child . This is all rather hard for  
The Peam old folks - I feel so sorry for  
grand-parents - We must all carry our  
troubles with grace - they should give us  
a wise and understanding heart -  
Ours love and sympathy to you all -  
Ruth.
