Dear Wesley and Marilee

How is the Church coming?
It is about 6 months now I hope
each day brings more pleasure
and satisfaction

I got a letter from Norma +
it seems Dale likes his work
very much. But of course
that is quite different. But I
suppose that in a way it is
much the same. Lee hopes
some day to go.

Susan was ~~off~~ accepted
into officers training school
in the Waves and reports to
~~the~~ last Mar. 2. Milton may
go with her. We are all
excited

Lee stands a 50-50 chance
of going to Europe as an

exchange student for 7 weeks -
I hope he makes it cos it will
be a good experience. He won't
know until Mar 15. We are
all holding our breath.

Kendy is having about
18 boys & girls in for desert &
junch Sat. evening before
the Green & Gold Ball - I
hope all goes well as he is
looking forward to it
very much - You wouldn't
know him - he is more fun
and reads more -

The ball is over & was a
great success. Kendy went
skating Tues. 22nd. Had lots
of fun. We are all well
I want to get this off. Will
write more later - lots of love
Beulah.
